

ROAD GRANTS AVAILABLE!

**Are you a HOMESCHOOLER
with BIG IDEAS? A WVHEA
ROAD GRANT can help !**

Beginning in 2003, the WVHEA Board set aside some of the money that would normally fund a homeschool conference to create the Regional Outreach And Development (ROAD) grant program. WVHEA members are invited to apply for funding for homeschool programs, events, activities.

Past grantees have:

- imported an Eastern Panhandle blacksmith known for his work with children.
 - started a homeschool band
 - brought in a puppet show for the entire community
 - organized an education fair and published a yearbook
 - helped homeschoolers participate in Lewisburg's First Day celebration
 - helped cover clerical expenses
- classes of all kinds—chemistry, art, drama, gym, writing

The WVHEA Board invites you to become a member! Visit WVHEA.ORG for more info and other great home education resources!
